Corporate Membership Research Commitment Fee

Corporate members can influence the direction of the HDP User Group through the participation in meetings and projects. Members benefit the most by participating actively in the projects of the HDP User Group. Membership and payment of this fee will entitle the company to all rights and privileges of membership including all information from HDP Projects. HDP User Group Memberships are on a one-year rotating basis. Memberships renew on the anniversary date unless otherwise requested by either party.

Select Corporate A or Corporate B membership, depending on annual revenue in USD, by placing a check mark in the appropriate box.
